

Autodesk Products: (AutoCAD, Revit, 3DS Max, Maya, ReCap)

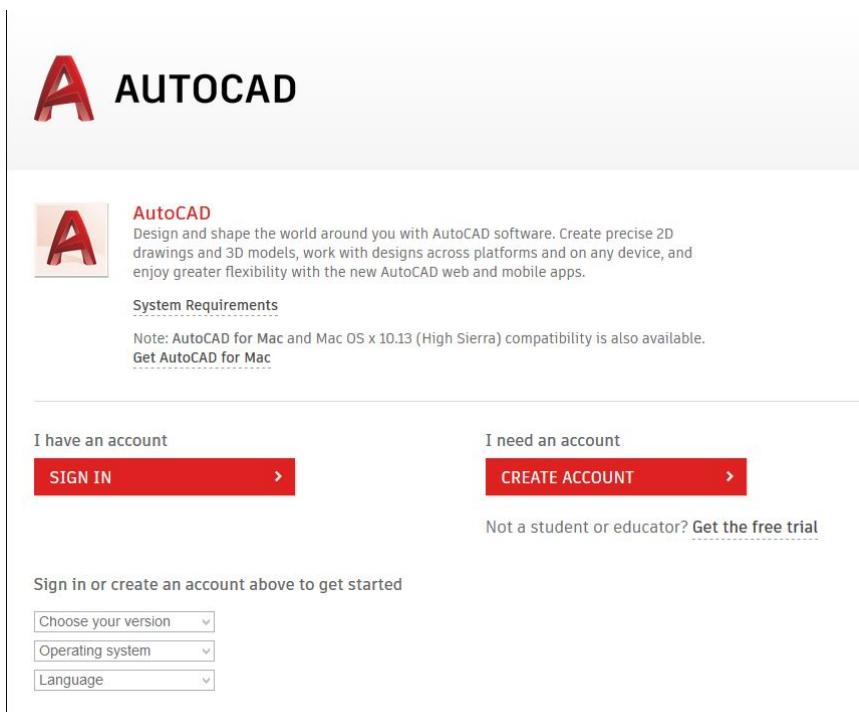

In a web browser, go to <https://www.autodesk.com/education/free-software/featured>

Click on the software you would like to download below:

The screenshot shows the Autodesk Education Free Software page. At the top, there is a navigation bar with the Autodesk logo, a search bar, and links for SIGN IN, UNITED STATES, and MENU. Below the navigation bar, there is a main header with the text "MAKE IT YOURS" and a sub-header "Autodesk provides open access to more than 100 products – available to students, educators, and institutions globally". The main content area features six product cards: FUSION 360, INVENTOR, REVIT, AUTOCAD, 3DS MAX, and MAYA. Each card includes a brief description and a "GET IT NOW" button. At the bottom of the page, there is a link to "View all products" and a note that some products are available via educational grant.

You will need to sign in first. Sign in using the email address & password you created earlier, or if you do not have an Autodesk account yet, click on Create an Account and follow the prompts to make one. You may use any email address to create an Autodesk account, including gmail, yahoo, and icloud.

The screenshot shows the Autodesk AutoCAD product page. At the top, there is a large red "A" logo followed by the text "AUTOCAD". Below the logo, there is a section for "AutoCAD" with a description: "Design and shape the world around you with AutoCAD software. Create precise 2D drawings and 3D models, work with designs across platforms and on any device, and enjoy greater flexibility with the new AutoCAD web and mobile apps." Below the description, there is a "System Requirements" section with a note: "Note: AutoCAD for Mac and Mac OS x 10.13 (High Sierra) compatibility is also available." and a link to "Get AutoCAD for Mac". At the bottom of the page, there are two buttons: "SIGN IN" and "CREATE ACCOUNT". Below the buttons, there is a link to "Get the free trial" and a section for "Sign in or create an account above to get started" with three dropdown menus: "Choose your version", "Operating system", and "Language".

Once you are signed in, choose the options in the 3 dropdown menus. The latest version of all Autodesk software is 2020, which is the same version installed in the AAU computer labs.

AutoCAD

Design and shape the world around you with AutoCAD software. Create precise 2D drawings and 3D models, work with designs across platforms and on any device, and enjoy greater flexibility with the new AutoCAD web and mobile apps.

System Requirements

Note: AutoCAD for Mac and Mac OS x 10.13 (High Sierra) compatibility is also available. [Get AutoCAD for Mac](#)

- + Additional steps required for educational institutions [See more](#)

INSTALL NOW

Follow the directions on the screen, and the program will download and start the installer. Click Install when ready.

Once installed, a restart may be required. After doing so, start the program. The first time you start a program, it will verify your license. If it does not activate automatically, follow the prompts to activate a single-user license, and enter the License information you received to your email address. After that, the program is licensed for 1 year.
